

Survey Hosting Services

The Perfect Solution for Delivering Your Online Surveys Faster.

HOSTING A WEB SURVEY ON THE SURVEYTRACKER PLUS E-MAIL/WEB SERVER IS A QUICK WAY TO PUT A SURVEY ONLINE WITHOUT INVOLVING YOUR ORGANIZATION'S IT DEPARTMENT OR USING SERVER RESOURCES. WITH AUTO-HOST, YOU SIMPLY SET UP AND DISTRIBUTE YOUR SURVEY FILES IN SURVEYTRACKER PLUS E-MAIL/WEB THEN SELECT AUTO-HOST TO UPLOAD THE SURVEY TO SURVEYTRACKER.NET. IT'S COMPLETELY AUTOMATED AND EASY TO USE. YOU CAN DO IT YOURSELF WITHOUT ASSISTANCE FROM YOUR SUPPORT STAFF.

Auto-Hosting Simplifies the Task of Getting Your Surveys Online.

Auto-Host is a fee-based service that you can use as much or as little as you need. Pay for a set number of surveys per year or pay per survey, depending on how often you survey. The choice is yours!

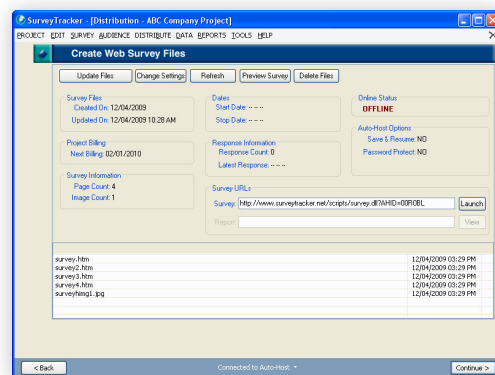

Delivery Options

| AUTO-HOST PROVIDES TWO DELIVERY OPTIONS: | | | | |
|--|----------------------------|--|-------------|----------|
| Method | URL | Email | Save/Resume | Password |
| URL Link | Common for all respondents | Provide common URL to respondents via e-mail, on a website, on paper, etc. | | ✓ |
| Email Invitation | Unique to each respondent | Automatically send unique URL using SurveyTracker | ✓ | ✓ |

Web Hosting Options

When you set up and upload your survey using SurveyTracker Plus E-Mail/Web Auto-Host, four options are available:

- **Offline:** Surveys are not accessible to anyone except the survey designer.
- **Preview:** Surveys can be opened and previewed as the respondents will see it, although no responses are captured or stored.
- **Pilot:** Surveys can be tested using actual data collected from the respondents. You can keep these responses as permanent data or discard them before you go live.
- **Live:** Surveys are live and will collect responses in real time.

Any survey that is set up to be a web survey, can be Auto-Hosted on surveytracker.net.

Same Great Features!

All response options available in SurveyTracker Plus E-Mail/Web Auto-Host are included in the Auto-Host fee:

- Send out Survey Invitations
- Mail Merge Audience Information
- Skip and Hit
- Multiple Scales per Question
- Question Piping
- Include Logos and Pictures
- Show Percent Complete for Survey
- Allow the Respondent to Print Responses
- Must Complete for Selected Questions
- Include Survey Thank You Message (Include custom URL's)
- Include Optional Real Time Reports to Respondents (Quick Table and Statistical Table)

In addition, you choose how you store and receive data:

- Store response data on the SurveyTracker.net Web Server
- Download response data via the Web Server, or e-mail (or both)
- Retrieve response data at any time, even if you store it on the Web Server

Maximize the Power of SurveyTracker E-Mail/Web Through Auto-Host

Auto-hosting is easy, convenient, and—more importantly—doesn't tie up your internal resources. Surveys can be online and ready to go within minutes without requiring help from IT. Your IT staff will appreciate the lighter workload while you have everything you need to run your surveys on your schedule.

Subscription Auto-Host Options

Auto-hosting has two subscription options:

- **Per-Project Auto-Host:*** Provides 60 days of hosting per uploaded survey with additional options for Save and Resume and Single Password entry page. Hosting can be extended beyond the initial 60 days.
- **Number of Surveys hosted Per-Year:** Pricing is based on the number of surveys hosted in a one year period. Choose either a 25 or 50 surveys per-year subscription. (Additional surveys are available in increments of 25.) Host each survey for up to 60 days. Hosting longer than 60 days counts as a new survey. Includes Save and Resume and Single Password entry.

*Current pricing for the per-project subscription is available in SurveyTracker Plus E-Mail/Web before you upload a survey to the server, or you can contact your Scantron Representative for details.
