

Corporate Background

FOR MORE THAN THREE DECADES, SCANTRON HAS HELPED EDUCATION, COMMERCIAL, AND GOVERNMENT ORGANIZATIONS WORLDWIDE MEASURE AND IMPROVE EFFECTIVENESS WITH ASSESSMENT AND SURVEY SOLUTIONS. THE COMPANY IS BEST KNOWN FOR ITS PIONEERING AND EXCEPTIONAL PRODUCTS AND SERVICES THAT ALLOW THE RAPID, ACCURATE AND RELIABLE CAPTURE OF STUDENT PERFORMANCE DATA. TODAY, APPROXIMATELY 80% OF SCHOOLS IN THE UNITED STATES USE SCANTRON PRODUCTS.

SCANTRON CONTINUES THIS TREND WITH INNOVATIVE SOFTWARE AND SURVEY SOLUTIONS THAT LEVERAGE OUR EXPERTISE IN WORLD-CLASS FORMS PRINTING AND SCANNER MANUFACTURING:

Scantron Genuine Forms

Scantron's world-class printing technology provides high-quality scannable forms for testing, surveys and data collection. Scantron Genuine Forms can be combined with Scantron software and scanners for a complete solution.

K-12 Assessment Solutions

Scantron helps educators meet No Child Left Behind requirements and raise the level of student achievement through a unique combination of standards-based formative assessment and computer-adaptive diagnostic testing. These solutions can be combined with Scantron Genuine Forms, scanners, training, and implementation.

Data Collection Solutions

Scantron's data collection solutions include a wide range of devices and software to meet a variety of data management needs. From hand-held response pads and test scoring machines to optical mark read (OMR) scanning devices and industrial strength, image-based forms processing systems, Scantron has solutions that will read multiple types of data with unsurpassed speed and accuracy.

Survey Solutions

Scantron offers full-service survey and consulting services in addition to software and forms solutions to help drive reliable, up-to-date feedback that directly affects strategic plans, the ability to anticipate trends, and improve products and services.

Healthcare Solutions

From managing patient records to tracking medical devices to measuring patient satisfaction, Scantron offers a broad range of healthcare solutions to scan, store, and easily retrieve patient-related data.

Scantron has more than 1,000 employees located across six U.S. facilities. Scantron also has a world presence through more than 100 distributors in 63 countries. Today, 15 Ministries of Education throughout the world use Scantron scanning solutions for their national assessment programs. Scantron (www.scantron.com) is a subsidiary of Harland Clarke Holdings Corp., which is wholly owned by M & F Worldwide Corp. (NYSE: MFW).
