## **Support**

### **Outside the U.S.**

Contact your local sales agent for software support.

### **Inside the U.S.**

One year of telephone technical support is provided by Scantron, as long as your ParTest Online software is under a support contract.

Register your ParTest Online software at [www.scantron.com](http://www.scantron.com) to ensure prompt notification of ParTest Online software releases. To continue this support, renewal of your ParTest support agreement is required.

If you have any questions about this product, contact us by one of the following methods:

- Call Scantron Customer Support at 1-800-445-3141
- Access our web site: [www.scantron.com](http://www.scantron.com)

## **System Requirements**

See the web site for the current system requirements.

Visit [www.scantron.com](http://www.scantron.com) for the minimum system requirements for scanners being used with this software.

## **Installation**

Close all other application programs before installing ParTest Online software. You must be an administrator to install or uninstall ParTest Online software.
