DO NOT PROCEED WITH INSTALLING AND/OR USING THIS SOFTWARE WITHOUT READING THE FOLLOWING TERMS AND CONDITIONS GOVERNING THE USE OF THIS SOFTWARE (THIS "EULA"). INSTALLING THIS SOFTWARE, CLICKING ON THE "I ACCEPT THE TERMS OF THE LICENSE AGREEMENT" RADIO BUTTON AND/OR USING THIS SOFTWARE CONSTITUTES ACCEPTANCE OF THIS EULA. IF YOU ARE NOT WILLING TO ACCEPT THIS EULA, OR DO NOT HAVE THE AUTHORITY TO ACCEPT THIS EULA, PLEASE PROMPTLY RETURN THE SOFTWARE TO SCANTRON CORPORATION ("SCANTRON"), AND YOUR PURCHASE PRICE WILL BE REFUNDED TO YOU.

Definitions

This software package includes a software product, known as the CLASS CLIMATE® Course Evaluation Software and its associated media, printed materials and online or electronic documentation (collectively, the "Software") and Open Source Software based platform components.

This EULA applies to updates, upgrades and add-ons of the Software (if any), unless they are accompanied by separate terms and conditions. Such updates, upgrades and add-ons of the Software, including any associated media, printed materials and online or electronic documentation, shall be included in this EULA's definition of "Software" upon its installation.

A registration number ("Software License Key") issued to you by Scantron is required to use the Software. The term "Number of Licensed Users" is the number of users as evidenced by the license fees you pay.

References to the "CD" used throughout this EULA shall mean the CD, DVD, downloaded files or other media carrying the Software.

Open Source Software

"Open Source Software" means the various open source software components which are required by the computer to run the Software, including, without limitation, Apache, PHP5, Zlib, Mysql and openSSL, and licensed under the terms of applicable open source license agreements included in the materials relating to such open source software.

Scantron provides binary versions of a pre-configured system platform of the Open Source Software products for Windows operating systems solely as a free service for its customers and does not derive or claim any rights on the open sourced contents of the pre-configured base system platform. You may also download the platform and all modified sources from http://www.scantron.com/oss/download/Class_Climate_System_Platform.zip free of charge.

The Open Source Software is composed of individual software components, each of which has its own copyright and its own applicable license conditions. You will be prompted to accept all suitable open source license agreements before the binary platform setup package will be installed and you must review the licenses within the individual packages to understand your rights. The licenses can be found in the open_sources_licenses.txt file within each setup-base folder of the open source system base platform. Copyrights to the Open Source Software are held by the copyright holders indicated in the copyright notices in the corresponding source files or in the open_sources_licenses.txt file or other materials accompanying the software package.

Grant of License

The Software is licensed, not sold. Subject to the terms and limitations of this EULA, Scantron hereby grants you a non-exclusive, non-transferable license, without rights to sublicense, to (i) make an appropriate number of back-up copies of the Software data media; (ii) install one copy on a server or workstation environment; (iii) use the Software License Key to activate the installed copy of the Software for the Number of Licensed Users; and (iv) use the documentation accompanying the Software in connection with permitted uses of the Software. The total number of designated users may not exceed the Number of Licensed Users.

License Limitations

You may not copy the Software except for back-up purposes. You may not share or use the Software concurrently with more users than the Number of Licensed Users. You may not remove any titles, trademarks or trade names, copyright notices, legends or other proprietary markings on the Software. You are not granted any rights to any trademarks or service marks of CLASS CLIMATE®. Scantron (and its suppliers) retains all rights not expressly granted to you in this EULA. Software identified as "Not for Resale" or "NFR", may not be sold or otherwise transferred for value, or used for any purpose other than demonstration, test or evaluation. IF YOU TRANSFER POSSESSION OF ANY COPY OF THE SOFTWARE TO A THIRD PARTY THIS LICENSE SHALL AUTOMATICALLY TERMINATE. Scantron (and its suppliers) retains all right, title and interest in and to the Software and the Software License Key and in all related copyrights, trade secrets, trademarks and any other intellectual and industrial property and proprietary rights.

Restrictions

You may not (i) sell, lease, license, sublicense, distribute or otherwise transfer in whole or in part the Software or the Software License Key to a third party; (ii) provide, disclose, divulge or make available to, or permit use of the Software in whole or in part by, any third party without Scantron's prior written consent; (iii) modify or create derivative works based upon the Software; or (iv) use the Software to provide network, application hosting or other services to third parties, or otherwise use the Software on a service bureau or hosting basis for your customers. Except to the extent expressly permitted by applicable law, and to the extent that Scantron is not permitted by that applicable law to exclude or limit the following rights, you may not decompile, disassemble, reverse engineer or otherwise attempt to derive source code from the Software, in whole or in part. You may not disclose the results of any tests of the Software to any third party without Scantron's prior written approval.

Your Responsibilities

You are responsible for complying with the licensing terms of your learning/course management system and other third party items that you use in connection with this Software. You shall, at all times, observe the terms and conditions of your own privacy policies when using the Software. You warrant to Scantron that you will use the Software in compliance with all applicable laws, including, without limitation, privacy laws and the US Can-Spam Act. You acknowledge that the Internet is inherently insecure. You are responsible for providing your own firewall and other protections against unauthorized incursions.

Limited Warranty

Scantron warrants the CD and downloaded files carrying the Software against defects in materials or manufacture for a period of 90 days from the date of shipment to you as evidenced by a copy of the shipping documentation. During such period, Scantron will, at its expense, replace any defective CD or downloaded files provided that: (a) Scantron is promptly notified upon discovery of such defects during the warranty period; (b) the defective item is returned to Scantron, transportation prepaid by you; and (c) there is no evidence that such defects have

been caused by misuse, neglect, alteration, accident or by any cause external to the CD or downloaded files. In providing warranty repairs or replacements, Scantron will return the repaired or replaced item to you at Scantron's expense. If Scantron is unable to comply with the foregoing limited warranty, your sole and exclusive remedy shall be to terminate this EULA by returning the Software and your money will be refunded.

SCANTRON DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE OR THAT THE SOFTWARE WILL FUNCTION WITH YOUR LEARNING/COURSE MANAGEMENT SYSTEM OR OTHER THIRD PARTY ITEMS. SCANTRON SHALL HAVE NO LIABILITY WHATSOEVER TO YOU OR TO ANY THIRD PARTY FOR ANY CLAIMS ARISING FROM OR RELATED TO USE OF THE SOFTWARE IN CONJUNCTION WITH THE INTERNET OR FOR WEB SITE SECURITY.

THE FOREGOING CONSTITUTES AND EXPRESSES THE ENTIRE AGREEMENT OF SCANTRON AS TO WARRANTIES, AND IS IN LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, TITLE, QUIET ENJOYMENT, QUIET POSSESSION, CORRESPONDENCE TO DESCRIPTION OR NON-INFRINGEMENT WITH RESPECT TO THE SOFTWARE. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY, IN WHOLE OR PART, NOT APPLY.

If you acquired the Software in Canada through a distributor or reseller (rather than directly from Scantron) or if you acquired the Software in any country other than the United States, Scantron makes no warranties, promises or guarantees, and provides the Software "AS IS." The foregoing disclaimer does not affect any rights that you may have from your authorized Scantron distributor for your territory.

Termination

Scantron may terminate this EULA if you fail to comply with any term of this EULA. In the event of termination of this EULA for any reason, you must destroy all copies of the Software and Software License Key (regardless of where the Software is installed and including all back-up copies).

Government Restriction

The Software is provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the U.S. Government is subject to restrictions as set forth in subparagraph (c) (1) (ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial Computer Software - Restricted Rights at C.F.R. 52.227-19, as applicable. The manufacturer/contractor for such purpose is Scantron Corporation, 1313 Lone Oak Road, Eagan, MN 55121.

The Software is a "commercial item," as that term is defined at 48 C.F.R. 2.101(OCT 1995), consisting of "commercial computer software" and "commercial computer software documentation," as such terms are used in 48 C.F.R. 12.212 (SEPT 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4 (JUNE 1995), all U.S. Government End Users acquire the Software (and documentation) with only those rights set forth herein.

Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL SCANTRON (OR ITS SUPPLIERS) BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA OR ANY

OTHER INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY OR OTHERWISE. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRECEDING LIMITATION MAY NOT APPLY TO YOU.

SCANTRON'S LIABILITY UNDER THIS EULA WILL NOT, IN ANY EVENT, EXCEED THE LICENSE FEES, IF ANY, PAID BY YOU TO SCANTRON FOR THE SOFTWARE LICENSED BY YOU UNDER THIS EULA.

THE FOREGOING LIMITATIONS SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, REGARDLESS OF WHETHER SCANTRON HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

Consent to Use of Data

You agree that Scantron (and its suppliers and affiliates) may collect and use technical information gathered as part of the product support services provided to you, if any, related to the Software. Scantron may use this information solely to monitor your compliance with this EULA, provide support services to you and/or market and improve its products or services.
