SMB Ready, High Quality, Low TCO

Do you have an aging copier or multifunction printer that’s not meeting your needs? Now you can buy or lease a new Xerox and round out a successful print management strategy!

Enjoy a tailored selection of competitively priced Xerox A3 multifunction printers paired with our comprehensive print management services. Refresh your fleet with devices that meet your productivity needs with low total cost of ownership.

Why upgrade with STS?
Customers often ask us for recommendations and we diligently seek out the best overall solution for their needs.

Leverage our expertise based on serving thousands of customers and our partnerships. We’ve negotiated excellent pricing for state-of-the-art devices that are a perfect fit for SMB copier refresh needs.

* All units include finisher, single-line fax, delivery, and installation!

Just in time for your expiring leases. Replace aging or underperforming multifunction printers with tailor-fit Xerox devices and MPowerPrint® managed print services†. For every device sold or leased, your services will include:

- Expert strategy recommendations
- Comprehensive management and optimization of your printer
- Onsite service
- Just-in-time consumables replenishment
- Cartridge recycling
- Ongoing consultation and reporting

Talk to your STS account representative today and ask for an analysis of your entire print environment! Call 800-228-3628.

†Existing MPowerPrint customers: contact your account manager for pricing.
